### **Bintan Resorts Security Update**

Following reports of today's bombing incident in West Java, Indonesia, we would like to assure our business partners and the public that we have stepped up security checks and vigilance at Bandar Bentan Telani (BBT) Ferry Terminal at Bintan Resorts, the land checkpoint (called Post 1) located at the start of the only road leading from the south of Bintan Island into the resort area, and at the individual hotel / resort premises.

The management of Bintan Resorts has always placed top priority on the safety and security of our guests and maintains tight security measures within the resort area so that our visitors can enjoy their stay with no worries.
