**OPENING OF BINTAN RESORT FERRIES EMERALD LOUNGE
AT TANAH MERAH FERRY TERMINAL**

26 May 2011

With the opening of Bintan Resorts' Emerald Lounge at Tanah Merah Ferry Terminal, passengers to Bintan Resorts can begin their "Bintan Experience" from the moment they clear immigration.

At this lounge, the visitors' need for comfort will be better met through a series of well-designed and thoughtful facilities and services. Passengers travelling Emerald Class on Bintan Resort Ferries will enjoy complimentary refreshments in pleasant surroundings while they await their boarding call. There is also free access to the Internet stations and Wi-Fi service within the Lounge. To keep the young ones entertained while waiting to board the ferry, there is a children's play area at the Lounge. A buggy service for those requiring assistance has been added as part of the offerings for users of this lounge. The Emerald Lounge passengers will be the last to board so as to minimize their waiting time onboard prior to departure.

For passengers traveling on Bintan Resort Ferries, the 'royal treatment' continues in Emerald Class onboard. In addition to the pre-assigned seating on the upper deck, access to the outdoor deck and refreshments service, those requiring Visa-On-Arrival are now able to purchase their Visa stickers onboard the ferry.
