

Bintan Eco-Vacation!

An Eco-Vacation is a meaningful vacation, where you can get away for your special time of fun and relaxation; and discover so much about nature and the environment!

Programme Outline	<p>This programme lets participants:</p> <ul style="list-style-type: none">• Discover The Natural Habitats of Bintan Island Participants explore a river and the surrounding mangrove forests by boat, learning about these ecosystems and their fascinating plants and animals! This boat tour can be day tour or a night firefly tour.• Experience Sustainable Farming Be exposed to sustainable farming and facilities at Bintan Resort's EcoFarm, where participants can observe a large variety of local produce; take part in the farming by planting or harvesting; and even make and eat a local salad! Eco-games and activities complete their learning experience. An "all senses" day at a farm!• Be fascinated by local Plants and Animals Besides observing wildlife in the mangroves and river, the Ecofarm also showcases local animals found on Bintan and surrounding islands. Get a closer glimpse of these and learn their ecological roles in the environment.• Lend-a-hand for the Mangroves Plant mangrove seedlings at reforestation sites and do their part for the environment!• Tuck into Great Food! Enjoy fresh and sumptuous seafood! Participants will also be able try some local fare at the hawker centre. <p>Optional:</p> <ul style="list-style-type: none">• Trek Gunong Bintan The more adventurous may choose to include a climb the 380m Gunong Bintan. Here, trekkers will observe original, untouched rainforests found on Bintan island.
